Urban**Soul** is an active citizenship programme for youth (15 years+ only). The first Urban**Soul** happened in 2008 and it was all about each one of us answering the great commandment (To love God and others) and following it up by living out the Great commission (by our indiscriminate acts of kindness). Urban**Soul** gathers young people who are passionate about social action through projects like area clean-ups, painting over graffiti, running community events etc. This is something that you'll want to be a part of.
